Dear Friends and Supporters of St. Pius X Catholic School:

We are excited to share that preparation for our annual school auction event has begun! It will be held on February 22nd, 2020 and we will be enjoying the theme of Mardi Gras Masquerade. It is sure to be an incredible evening!

The reason for this letter is to be sure you “save the date”, notify you of our sponsorship opportunities and invite you to be part of this exciting occasion. The event is open to the community and is our largest, most fun, and most important event we hold! The funds raised are necessary to support all aspects of the school to provide quality Catholic education to the students.

We are now laying the groundwork for the big event this February and are requesting your support. There are several new sponsorship opportunities and ways that you can choose to support our school while showcasing your company’s brand. The attached flyer explains sponsorship packages in greater detail. All sponsorships and donations are tax deductible to the extent allowed by law. Your generosity will be recognized as a community partner before, during and after the event. If you have a different idea of a way to help promote your business, please contact us.

As you know, St. Pius X Catholic School educates students from preschool through eighth grade. We focus on teaching students life lessons that will serve them well beyond graduation. The generosity of our supporters enables us accomplish our mission. Please understand tuition alone does not cover the cost to educate a child so the success of this event is critical to the advancement of our school. In the words of a parent, “St. Pius X Catholic School is a blessing to our family. The administration, teachers, students and fellow parents make our school an incredibly special place to be. Our annual auction fundraiser is a wonderful evening, and more importantly, raises funds necessary for the future of our school. Please support the Chargers of St. Pius X Catholic School.”

We appreciate anything you can do to support our mission of Catholic education where Christ is the center of our school. Thank you in advance for your consideration.

Yours in Christ,

Brian Sheeran
